

Connect to Success Mentee Profile

LEGAL FLOW

Name of Company: LEGAL FLOW

Give a brief description of the company:

We are a software company that is developing a global solution for the legal industry. **LEGAL FLOW** - Smart & simple management tool saving lawyers time and making them more profitable. The software eliminates waste & automates low-value tasks for lawyers by replicating the standard part of their legal work for similar clients & making them more efficient.

What does your business hope to achieve through Connect to Success's Corporate Mentoring Program?

We hope to learn from our mentor company – Liberty – knowledge, lessons learned and innovative approaches on how to successfully manage a global company. We believe this Corporate Mentoring Program will help us tackle the major challenges our company is currently facing in order to become an international, strong and sustainable software business.
